

CHALLENGES AND OPPORTUNITIES IN COMMUNICATING SCIENCE TO THE PUBLIC WORKSHOP

IANAS Building ties with Academies and Science Journalist

CARIBBEAN	Hollis Charles	
	President Caribbean Academy of Sciences Hollis Charles has developed service institutions in the Caribbean. He followed that by developing two consulting organisations, the Institute for Managing Development (IMD) and Charles Consulting which have supplied services to UNDP, World Bank, IADB, UNIDO, CARICOM, The Commonwealth Secretariat, UN ECLAC to name a few. He has advised on science, technology and industrially development policy nationally and regionally. In 2002 the World Association of Industrial & Technological Organisations (WAITRO) gave him a special award. He has the knowledge and skill required to successfully guide The CCG Ltd Email: wfieldtt@gmail.com
