Strengthen Academic Collaboration

Student and Faculty Mobility

Stimulate Joint Research Projects

Promote the Mexican Culture

Spanish Teaching and Certification

OUR OBJECTIVES

- ◆ Deepen and expand the development of joint research projects on social and natural sciences, engineering, and humanities, among other fields.
- ◆ Strengthen academic collaboration with the UA and other institutions of higher education in the region.
- ◆ Conduct joint activities with the UA related to teaching Spanish and certification of the Spanish language.
- ◆ Develop student mobility programs and academic exchange.
- ◆ Organize activities to promote the Mexican culture.
- ◆ Participate in the UNAM initiative to assist migrants.
